SUBJECT: Fall 2003 registration for on-line nutrition courses

Many Texas WIC staff have successfully completed on-line nutrition courses from Sante Fe Community College. Your staff can also become part of this exciting opportunity to enhance nutrition knowledge and skills. These courses are WIC-allowable expenses and the state agency reimburses for successful completion of these classes.

Fall 2003 registration is currently being offered. The fall 2003 semester runs from September 22 through December 12, 2003.

Check the web site at <http://learn.sfccnm.edu/nutrition/> for information on fall classes, text books, tuition payment and registration.
